# CONSTRUCTION ADVISORY
## Trolley Station Closures & Detours

TROLLEY RENEWAL

# Spring Street Station in La Mesa

### Late August – November 2012

Renovation work on the **Spring Street Trolley Station is anticipated to start in late August 2012**. The station **WILL REMAIN OPEN DURING CONSTRUCTION**, however construction detours are planned for passengers to follow when accessing the trolley. Please use extra caution during construction and follow the direction of the on-site flagging staff when crossing the tracks.

## Station/Rider/Business Information

- Improvements for this project include new station boarding platforms to accommodate the low-floor trolleys, next-arrival electronic signs, shelters, track, switches and more.
- Once complete, passengers will experience a safer and more efficient boarding experience.
- Local businesses and pedestrian walkways outside of the station will remain accessible.
- Most work will occur between 7 a.m. and 6 p.m., Monday through Saturday.
- Limited night and weekend work may occur.
- Noise and dust is anticipated during construction.
- Construction should continue through late November, however the schedule may change with very little notice.

Please use **extra caution** during construction and follow the direction of the on-site flagging staff when crossing the tracks.

## The Trolley Renewal Project

The Trolley Renewal Program is a joint project with the San Diego Association of Governments and the San Diego Metropolitan Transit System. This work is part of a $720 million project to renew the entire MTS Trolley network. Once complete, new low-floor Trolleys will operate throughout the system. Beginning in September, the Orange Line will travel from El Cajon to Santa Fe Depot and the Blue Line will travel from San Ysidro to America Plaza. All stations will be equipped with next-arrival signs, new shelters and seating. The end result will be easier access, quicker trips, a more comfortable ride, and an enhanced transit experience.
